

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

DANIEL TEKLEMARIAM HAGOS,

Petitioner,

v.

STATE OF WASHINGTON,

Respondent.

CASE NO. 2:23-cv-127

MINUTE ORDER

On September 28, 2023, the Court entered final judgment in this case. Dkt. No. 15. Nearly a year later, on August 28, 2024, Petitioner Daniel Teklemariam Hagos submitted a new filing on the case docket. Dkt. No. 17. The purpose of this filing — which is titled “Acceptions and Requirement Investigator” and comprises a five-page-long list of statutes — is unclear. If Petitioner intends to state new claims, he must file a new lawsuit. If Petitioner meant to submit this filing in his other case pending in this district, *see Daniel Teklemariam Hagos v. Scott Cassidy et al.*, 2:24-cv-00299 (W.D. Wash. complaint filed Mar. 7, 2024), then he must file his papers under the correct case number. In either case, the Court does not construe

1 Petitioner's August 28 filing as a request for relief from judgment or a motion to
2 reconsider.

3 The Court STRIKES Dkt. No. 17 from the record.

4 It is so ORDERED.

5 Dated this 3rd day of September 2024.
